**REQUEST FOR RECONSIDERATION OF A PREVIOUSLY SUBMITTED
REVOCATION OF POWER OF ATTORNEY AND APPOINTMENT OF ATTORNEY**

Mail Stop PCT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The undersigned respectfully requests reconsideration of the decision by the Office of PCT Legal Administration regarding a previously submitted Revocation of Power of Attorney and Appointment of Attorney for US Serial No. 09/787,461.

Background

The United States Patent and Trademark Office (PTO) mistakenly assigned two serial numbers in connection with entry into the national stage of international application PCT/GB00/01857. The two serial numbers were 09/787,461 and 10/031,810.

On September 23, 2003, a Revocation of Power of Attorney and Appointment of Attorney was filed by counsel from the law firm of Morgan & Finnegan, LLP on behalf of assignee Pharma Mar, S.A, **for each of the two serial numbers** given by the PTO. Copies are attached as Exhibits A and C.

On September 30, 2003, the Office of PCT Legal Administration merged the contents of serial numbers 09/787,461 and 10/031,810. The serial number 10/031,810 was deactivated and removed from the PTO's electronic application records (PALM). The decision indicated that all future correspondence should be directed to application number 09/787,461.

While merging the serial numbers, the Office of PCT Legal Administration stated that the Revocation of Power of Attorney and Appointment of Attorney filed on September 23, 2003 was "not effective because

the assignee has not established their right to take action in accordance with 37 CFR 3.73(b) and MPEP 324." Specifically, the communication stated that the assignee had not submitted documentary evidence of a chain of title from the original owner to the assignee (a copy of an executed assignment) or by specifying (reel and frame number) where such evidence is recorded in the PTO. Reconsideration of this decision is respectfully requested.

Discussion

As stated above, a Revocation of Power of Attorney and Appointment of Attorney was filed on September 23, 2003 **for each of the two serial numbers** given by the PTO . With respect to the submission for US serial number 10/031,810, a specific reference was made to an Assignment submitted to the Office of Public Records on July 11, 2003, and the submission clearly indicated that US serial numbers 10/031,810 and 09/787,461 were duplicates. In a telephone interview conducted on October 16, 2003, Special Program Examiner Michael Neas was unable to explain why the submission for US serial number 10/031,810 was not considered, despite the fact that he had signed the decision.

In an attempt to resolve this issue, copies of the following documents are attached:

- A) Power of Attorney for 09/787,461, originally submitted September 23, 2003;
- B) Assignment for 09/787,461, originally submitted October 17, 2003;
- C) Power of Attorney for 10/031,810, originally submitted September 23, 2003;
- D) Assignment for 10/031,810, originally submitted July 11, 2003.

It is noted that the PTO's original mistake in giving two serial numbers was followed by a substantial delay in merging the serial numbers under a single serial number, further compounded by the PTO's mistake in not considering the Power of Attorney submitted for 10/031,810. The PTO's mistakes have significantly burdened the applicant by increasing the expense and time for prosecution of the pending application.

In view of above, Applicants respectfully request:

- 1) reconsideration of the decision by the Office of PCT Legal Administration regarding the previously submitted Revocation of Power of Attorney and Appointment of Attorney; and
- 2) an expedited decision in order to reduce the burden on the applicant of the previous decision.

The PTO is urged to contact the undersigned by telephone in the event that further documentation is required.

The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment to Deposit Account No. 13-4500, Order No. 4126-4007. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,
